Conway, SC 29526

Dear Ewa,

On behalf of everyone at Edgetech, thank you for the role you played in making our booth “stand out in a crowd” at National Glass Association’s GlassBuild America 2006. As the attached photos can attest, you and your shows were crowd stoppers - the Edgetech booth was literally “standing room only” for most of the show. As a result, Edgetech generated more qualified leads than any other tradeshow in its 17 year history!

Ewa, you are truly a natural and your rapport with the audience is a gift. Tradeshows are one of the few opportunities we have to mix business and entertainment while promoting our products, brands and services. Customers, prospects and suppliers all came back to the Edgetech booth each day because they enjoyed the fun, comfortable atmosphere you created.

From a contractor’s perspective, you were always very easy to contact for arrangements and offered many valuable suggestions for success at the show.

A letter, video or photo just cannot convey your trick shot skills, sense of humor, professionalism, enthusiasm and beauty that you evoke at a live presentation. Any company that would be considering you for a special event would most certainly have their expectations exceeded!

We look forward to working with you again.

Sincerely,

Erin J. Johnson
Marketing Director
